Volunteers and School Helpers Application

West Mifflin Area School District volunteers and school helpers are required to complete a Vital Statistics Information Form and Clearance Certificate before they are permitted to provide volunteer services in the school district.

The West Mifflin Area School District welcomes and encourages volunteers and school helpers in its schools and classrooms. As a measure to ensure the safety of the district's students and staff members, all volunteers must be screened prior to having contact with students. A volunteer's name will be processed through the Pennsylvania State Police Megan's Law web site to clear the individual as not being a registered sex offender. A volunteer with more than incidental contact with students and staff members (more than one exposure across more than one day) is required to receive a tuberculosis screening. A volunteer must be documented free from tuberculosis before serving as a volunteer or school helper.
