Mr. Jeffrey T. Soles

Superintendent of Schools

October 8, 2021

Parents and Guardians,

Dr. Plichta and Mr. Klipa held their inaugural live on location cyber lesson for elementary students. Animal Friends located in Greensburg presented all the different animals they care for and provided some insight about the animals as part of a social science lesson. Students had the opportunity to share their pets with the class. The whole lesson was conducted through the Schoology platform.

Students in Clara Barton and Homeville will be benchmarking during the upcoming week in math. Students will be assessed on their skills, this will allow teachers to better prepare lessons to meet all the students' needs.

Tonight, the Titans will be taking on the McKeesport Tigers at 7 p.m. Good luck to our team and band at tonight's event. This evening at the football game senior band members and senior JROTC cadets will be recognized.

A date to remember is November 2, 2021, election day. Students and teachers will be working remotely on this day.

Thank you and have a great weekend.
