

Components of a Title I Schoolwide Program:

1. All Title I schools must complete a needs assessment and develop a comprehensive schoolwide plan.
2. This plan must identify schoolwide reform strategies aligned with the needs assessment, that are evidence-based and provide opportunities for all children to meet the State's proficient or advanced levels of achievement.
3. Provide instruction by appropriately state certified teachers, including paraprofessionals, according to the criteria set by the Every Student Succeeds Act.
4. High quality ongoing professional development designed to address the needs of the school.
5. Strategies to attract appropriately state certified teachers.
6. Strategies to increase parent and family engagement.
7. Strategies to help students transition from early childhood to kindergarten.
8. Teachers are involved in the use of assessments and decisions are data driven.
9. Timely academic assistance is provided for students who are experiencing difficulty attaining proficiency.
10. Coordination and integration of federal, state and local resources and services.
