

# PLUGGED IN NEWSLETTER

## Welcome to our initial issue!

With this newsletter the Esports clubs are hoping to get additional information out to the community so they can see the great things going on .

Our ultimate goal is to do a quarterly newsletter covering both our High School and Middle School Esports clubs activities.

We welcome suggestions for articles and things you would like to see in future issues.

## COPE - Parents who encourage gaming

From their mission statement on their website "Parents are criticized for allowing their kids to game. We encourage it, with balance, understanding, and support. Like any activity, children will get the most from their gaming experiences with parent involvement, thoughtful structure and positive support. We are here to show you how."

So if your son or daughter loves to game and you want to help support them check out COPE's website for more information. <https://cope.gg/>

## Point Park University Invitational

Our Titan Esports club participated in our first tournament on November 9th at the Rezzanine.

Juniors James Hoover, Bryson Kincaid, and Cody Thornton represented your Titans.

We competed against 7 other teams representing 6 other schools in Rocket League and placed 2nd!

Point Park even streamed the semi-finals and finals live on their twitch channel!

### Dave & Buster's Spirit Night

We want to thank everyone that came out to our Spirit night at Dave & Buster's on October 28th.

"T" the Titan even made an appearance!

## PlayVS - Super Smash Bros. Ultimate

Starting December 4th we have freshman Jae'Den Jones competing in the Eastern Region of PlayVS Super Smash Bros. Ultimate Solos Tournament.

Good luck Jae'Den!

## AIU3 Esports rolelike meeting

West Mifflin is a proud member of the AIU3s Esports Rolelike group.

We had the honor of hosting 16 members of the group from schools such as Baldwin-Whitehall, Elizabeth Forward, and Upper St. Clair on November 19th in our Esports arena.

Ms. Dolton's Titan Thyme catering provided breakfast for all in attendance.

Some of the topics that were discussed:

- ◆ Forming a western PA Esports league
- ◆ Getting more females involved with Esports
- ◆ How to keep students engaged and committed
- ◆ Budgeting/fundraising suggestions

The group is also now looking to expand to schools outside of Allegheny county in an effort to promote and broaden the opportunities for students participating in Esports in western Pennsylvania.

For more information or to join the group you can email [Mr. Brian Stamford](#).

### Titan Esports Linktree

Thanks to Linktree all of your Titan Esports links are in one place!

### About the WMAHS Esports Club

The WMAHS Esports club was founded in January of 2023.

Our goals are to foster a welcoming environment where students can compete and learn about teamwork, leadership, and other traits found in traditional sports.

Whether it's broadcasting, marketing, graphic design, etc. these all can be connected to Esports in some way. Esports offers many different career paths.

## Student Spotlight
