

PLUGGED IN NEWSLETTER

Western PA esports league

Plans are still moving forward to create an esports league for Pennsylvania schools based in the Western part of the state to compete for a local championship. Currently we have 43 schools districts interested.

We are looking to partner with the [Pennsylvania Scholastic Esports League \(PSEL\)](#) to have our regional champions compete for a state title against schools from across Pennsylvania.

More news about the league to come in future newsletters.

Dave & Buster's Spirit Night

Our next spirit night at Dave & Buster's is scheduled for May 8th 2025.

Hope to see you there!

Titan Throw Blankets

Through the end of May and again during the 25/26 school year until supplies run out the esports club will be selling Titan Throw Blankets through the Titan Shoppe for \$25 with proceeds going towards activities for the students. Blankets are 50" x 60".

Get your Titan throw blanket [HERE](#)

Titan Fortnite Team Inaugural Season

This Spring season we had three freshmen (Jake Bishop, Dylann Browne, and Connor Droschak) compete in the PSEL in Fortnite Zone Wars 2 vs 2.

They went 2-6 and missed the playoffs in their first year. We'll be back in the Fall.

Seton Hill University Tournament

On March 8th your Titan esports club participated in a double elimination tournament at Seton Hill University.

The tournament featured Rocket League and Super Smash Brothers Ultimate. We had one student competing in Rocket League and two students competing in Super Smash Brothers Ultimate.

In the Super Smash Bros. part of the tournament it was not the Titans day as we went 0 - 4.

During the Rocket League portion of the Event Junior James Hoover went 2 - 2 on his way to a 3rd place finish. Congratulations James!

Christopher Sanders Head Coach of Seton Hill University Esports & James Hoover with his 3rd place plaque

Elizabeth Forward Tournament

Elizabeth Forward Esports invited us to their high school on March 10th to play in a tournament featuring Rocket League, Super Smash Brothers Ultimate, and Madden 25.

Freshmen Jae'den Jones, Connor Droschak, and Bradley Kier represented your Titans in Super Smash Brothers Ultimate. Bradley also competed in Madden 25.

Jae'den went 3-2 in the Super Smash Bros. competition. Bradley went 1-1 in Madden almost pulling off an incredible comeback after going down 21 - 0 but ended up losing 28 - 24 as his opponent scored a touchdown with under 45 seconds to play.

College Esports Visits

Throughout the month of February and into March and April the esports club has sponsored having various colleges from all over Western PA, West Virginia, and Ohio visit our Titan esports arena in person to speak with students about their campus and esports programs.

All of the colleges were very complementary of the esports space we have created for our students

Bethany College

Coach Kelvin & Mike Kirshner Athletic Support staff From Penn State Beaver

Dr. Chris Davis Director of Esports Waynesburg University

Laura Carr Assistant Director of Admissions CCAC North & Dominic Timko Esports Coordinator at CCAC South

Katherine Greissing Assistant Esports coach & Keith Paylo VP of Student Affairs from Point Park University

Jack Tupta Head Coach of University of Akron Esports

College esports visits

The esports club has coordinated with various local colleges to have them visit our esports arena and speak with students on their esports programs as well as their schools academics.

All meetings will be held during Titan Learning Time.

Esports visits schedule:

Feb 7th - Penn State Beaver

Feb 10th - Bethany College

Feb 11th - Waynesburg University

Feb 14th - CCAC

Feb 26th - Point Park University

Mar 21st - The University of Akron

Mar 24th - Seton Hill University

Apr 1st - Robert Morris University

College Esports Visits Continued

Next year we plan to add more colleges & universities to the list to visit our esports arena and discuss college and esports opportunities with our students.

We want to thank all of the colleges that have given their time to speak with our students.

Christopher Sanders Director and Head Coach of Esports and Allison Riddle Admissions Counselor at Seton Hill University

Travis Bolner Director of Esports at Robert Morris University

Upcoming Events

The esports club will be busy with events through the end of the 24-25 school year.

May 9th - Inaugural Titan Invitational 2v2 Rocket League Tournament

PennState
Beaver

About the WMAHS esports Club

The WMAHS esports club was founded in January of 2023.

Our goals are to foster a welcoming environment where students can compete and learn about teamwork, leadership, and other traits found in traditional sports.

Whether it's broadcasting, marketing, graphic design, etc. these all can be connected to esports in some way. Esports offers many different career paths.
