A Note from Dr. Sikora & Mrs. Haney

Happy New Year and welcome back to school! We hope you had a safe and healthy Winter Break and that your holidays were filled with warm, happy and memorable moments with your children. The new year is always a time of reflection and the time to continue to move forward. I

would like to acknowledge our amazing staff for the countless ways they work to guide and teach our students with creativity and kindness. Thank you to all our families for your ongoing support! We are grateful to be able to do what we love - and that is working with your children.

They make us smile each and every day!

Counselor's Corner

New Year's resolutions can teach kids how to set and work steadily toward goals.

Making New Year's resolutions can empower your child to change a behavior or work on a new skill.

1. I will keep my room clean by putting my clothes in the hamper.
2. I will practice Math facts every night.
3. I will read at least 15 minutes every night.
4. I will eat more fruits and vegetables.
5. I will go to bed by 9 PM.
6. I will exercise for at least a half an hour each day. Happy New Year
