September 2023 Newsletter

There have been some changes for the 2023-2024 school year within the Pupil Services/Special Education Department this year. We would like to welcome two new Administrators to the team! We are looking forward to having a successful school year while working together with students, staff, guardians, and the community. Please feel free to contact either Mrs. Noelle Haney or Dr. Dayna Sikora with any questions or suggestions for the upcoming school year.

New This Year:

Parents be on the lookout for your IEP or GIEP yearly meeting date and time save the date card!

Students had a fun water play day!

SEPAAC
September 2023 Newsletter

We had a water Fun Day where students started off by studying the High School's STEM pond and hydroponic greenhouse!

Homeville Fire Department visited our ESY students to celebrate superhero's week! The fire fighters brought their "ladder truck" to show our students the safety features in their trucks. They gave our students a fire safety lesson and explained what to do during emergency situations. Thanks, Homeville Fire Department!
