Committee Reports

STEM Night – was Sept. 8th. The night was a success with the exception of the anticlimactic show (feedback was given to Mad Science). The STEM Ambassadors were eager and helpful. Will be creating shirts for them to wear at future events. Planning to have a station or 2 manned by the ambassadors at the holiday family nights and another big night in the Spring.

Tailgate Party – Mrs. Baker is hosting a tailgate party for the students during the school day on Sept. 22. She needs to be reimbursed for the items she has purchased for it-voted "YES" unanimously. She will be reimbursed.

Halloween Family Night/Bookfair – We will host the Family Night during the week of the bookfair (Oct. 26). The bookfair will be set up in the gym initially because of the red ribbon week assembly but then it will be moved to the stage so that the gym can be used for the Family Night Dance party. Mrs. Baker will make sure it is moved.

Christmas Gifts – suggestion to give each student a sweatshirt, sweatpants, and a drawstring bag to put it in put to a vote. Voted “yes” unanimously. Ronda will get a quote for 430 students. This can be started now.

Christmas Family Night – Dec. 8th. The Holiday shop will be open for the first week of December and will be open for the family night.

Polar Express Day – kids will wear pajamas to school and receive a golden ticket from their teachers to turn in at the auditorium where they will watch polar express with hot cocoa or milk and cookies.
